

Leadership Ideas

Student leaders can run activities once a week or every day during break times

Student leaders have the opportunity to invite other students to participate in activities

Student leaders can be delegated leadership of rainy day activities

Student leaders can run activities through the year to support seasonal sports or other school activities

Activities within the resource are transferable into other areas, music, art and special events

Student leaders are given the opportunity to create their own games which they can offer to other groups

Benefits for your school

School is provided with a resource which provides a number of opportunities for growing student leaders.

Students will be able to lead activities during break times as well as lead special events

The Growing Leaders

Programme

1 x 3 hour (or full day) Teacher Workshop

Teacher to work with student leaders during the year – facilitating leadership workshops and meetings

1 x 2 hour leadership workshop hosted by Sport Waitakere in your school with a group of selected students (Teacher to attend)

Sport Waitakere offer opportunities for schools to link with other schools involved in Growing Leaders

Learning Intentions

Students are able to demonstrate co-operative and communicative skills through planning and leading activities.

To promote positive attitudes toward student leadership, cooperation, and participation in intramural and recreation activities.

To help students learn to plan, organize and implement their own programs with increasing confidence and pride.

To develop student's individual and cooperative leadership skills through participation in organized leadership groups.

To reinforce leadership skills such as cooperation, trust building, commitment, responsibility, decision making, and problem solving.

Resources

Sport Waitakere uses the Sport NZ Growing Leaders Resources.
